

SARAH MORGAN

Sarah is a curator of conversation being a Keynote Speaker, Board Room Facilitator, Panel Facilitator, Workshop Facilitator, and MC.

Sarah is a Leadership Expert, with a vision to change the way organisations think and behave, by creating a world of thoughtful leaders.

Understanding human behavior with Sarah is so much fun and well thought out that you will be able to relate and make connections for your own actions and responsibilities with regard to your behavior style, communication, and emotional intelligence.

She has helped some of Australia's most successful brands navigate their organisation as a place for more talent to grow including speaking at the ICC – Sydney for #Captech2022.

MCing events include CMRC multicultural business expo, Business in Uncertain Times for SIPBN with Hon Natalie Ward MP, and Reconnect event for Ryde City and Kur-ing-gai Council.

Sarah is also a keynote speaker for WSU (Careers and Professional Conference), and Paramatta Business Forum.

Sarah is known for her engaging and professional yet practical conference presentations live and virtual. She helps you understand your own strength and weaknesses and apply yourself better in business as a leader to get the best out of your staff allowing you to grow profitably.

Sarah is a phenomenal speaker that will address the key topic and concerns of any audience with the highest level of professionalism and enthusiasm. The impact she will leave will be exceptional and the learning takeaways are so enriching.

Sarah Morgan can present to your team leaders in Hybrid form, Online, as a Keynote, or delivered as a Workshop that can be tailored to your requirements.

Sarah is a founding Board Member for The Fair Fight Foundation - the charity behind Supertee providing medical garments to Australia's sickest children and currently holds seats on the Board for Kick360 and founding board member for Crypto Academy.

A qualified NLP practitioner, Timeline therapist, DISC accredited, and GPI Partner. Sarah helps leaders in organisations to prepare themselves and their team to grow the bottom line by developing key leadership strategies.

Sarah is the founder of the "Influential Leader" program, she developed it in a neuro lab whilst testing brainwave patterns for cohesiveness and emotional intelligence. Helping managers to identify the real issues in leading a team and understanding their team members.
